Lyceum of the Philippines University - Batangas
-

WORK EXPERIENCE

IT Support Engineer Intern, HelloConnect Inc.

January 2026 - Present

- Managed the end-to-end user lifecycle and zero-trust protocols for a high-headcount workforce while resolving high-volume Jira tickets within strict SLA targets.
 - Experienced in foundational network administration, including configuring VLANs and managing secure connectivity to maintain optimized infrastructure performance.
 - Provided hybrid MDM support for Windows (Intune) and macOS (Jamf), utilizing TeamViewer to minimize downtime for remote agents.
 - Ensured 100% hardware accountability via Snipe-IT and directed production floor deployments with a focus on ergonomic and cable management standards.
-

EDUCATION

Bachelor of Science in Information and Technology

Specialized in Multimedia Technology

Lyceum of the Philippines University - Batangas

Capitol Site, Batangas City

2022 - Present

Senior Highschool Completer

The Mabini Academy

8TM Kalaw St. Lipa City, Batangas

2011 - 2021

ADDITIONAL INFORMATION

- **Soft Skills:** Problem-Solving, Continuous Learning, Collaboration & Teamwork, Analytical thinking, and Adaptability.
- **Technical Skills:** Cloud & Identity Management, Software & Productivity, Operating Systems, Networking, IT Operations, Hardware.
